### *In Memorium: Poems for the Centennial of WWI*

In honor of National Poetry Month, Dr. David Adams will present and discuss poems relating to World War I in honor of its one hundredth anniversary.

David Adams taught sociology for thirty years until his retirement from The Ohio State University at Lima in 1995. David is active in Riverside North Neighborhood Association. He was 8th Ward Lima City Councilman, serving two terms. David is a cartoonist. For more than ten years, he has drawn The Bean Family comic strip. It appears on Lima utility bills to raise money for improvements to city parks. David is a movie buff and, since January 2001, reviews a movie every Friday on the WLIO-TV "First Edition." For ten years he has written a weekly movie review for The Lima News. So far, he has reviewed more than 650 movies. Of them, David says, 536 were really rotten.
