### *Compassion*

Rev. Tim Barger will share some thoughts about compassionate living and our religious ways.

Greater Toledo just became a compassionate region, the 36th area in a global movement to recognize compassionate cities by working to honor the Charter for Compassion, which was published in 2009. How does this golden rule ideal affect our lives and our future, individually and in society?

[Rev. Tim Barger](#) is a Unitarian-Universalist community minister affiliated with First Unitarian Church of Toledo. His primary work is as religion editor for The Blade, Toledo's daily newspaper.
